# Back to Business

In the past four months, our area, all of New Jersey and the nation have experienced a dramatic loss of business and employment because of the efforts to fight the spread of Coronavirus by ordering people to stay at home and the closing of many businesses. As we entered July, almost all businesses are re-opening, with the health and safety precautions needed to make work, shopping, recreation, and education as safe as possible, with the goals of reviving the economy, and doing what we can as a community, to keep the spread of the Coronavirus in check to lower the number of people getting sick and dying from Covid-19.

Through an extraordinary effort by public officials, health and public safety agencies and employees, business, community and education leaders, and the residents of Cumberland County, the spread of Coronavirus has been flattened with less new cases daily and less deaths.

**Now, with the help of the public and all parts of the community by complying with health and safety measures to mitigate the spread of the Coronavirus, we are ready to get back to business.**

Getting back to business means, more than ever, doing business with your locally-owned businesses for the products and services you need. Local businesses are the best places to buy and shop safely, conveniently, and affordably. Look to our Chamber Members first. They are open and ready to provide the items you need at competitive prices, with friendly, courteous and knowledgeable service, in a safe, less crowded location. Many of your local businesses are also offering online shopping, free delivery and curbside service to make your shopping as safe and convenient as possible.

**Throughout this newsletter, we will spotlight examples of local businesses, including our Chamber member guide found on pages 5 to 8 and online at [www.baccnj.com/member-directory](http://www.baccnj.com/member-directory).**

The meeting included information from Cumberland County Clerk Celeste Riley and Cumberland County Board of Elections Administrator Lizbeth Hernandez, regarding the ballots that were mailed to thousands of voters for the July 7 primary election in NJ. They explained the vote-by-mail procedures for the primary election that will allow thousands of voters to participate without going out to the public polling places

to help mitigate additional spread of the coronavirus. As of the writing of this article, no decisions from NJ on how the November general election will be conducted has been made. For election information please visit: [www.cumberlandcountyvotes.com](http://www.cumberlandcountyvotes.com).

Cumberland County Planning Director Matthew Pisarski provided information of the status of the census in Cumberland County, urging all businesses, residents and organizations to remind those they have contact with to fill out the census form. It only takes a few minutes and can help obtain millions of dollars in federal funding for our area, if we can raise our response levels. He thanked the Chamber of Commerce and CDC for

Matthew Pisarski

assisting in the promotion of the census, including partnering on a recent mailing to residents who do not receive mail at their homes, who get mail only through a post office box. **To complete the census survey online and other census information: [www.my2020census.gov](http://www.my2020census.gov).**

Marlise Counsellor - Mary Kay Consultant

Nancy Yilmaz of Green Olive Restaurant, and Marlise Counsellor / Mary Kay Consultant, talked about the effects of the health pandemic related restrictions on their businesses and their plans going forward as the economy recovers. Marlise explained that the focus of her local Mary Kay company and the Mary Kay brand switched from sales "across the kitchen table, face-to-face, to online sales and web and telephone consulting services. She also highlighted the "sun protection products" donations to our service men and women, who are

not supplied with sun protection products by the armed forces. Please see her Facebook page for information: [www.facebook.com/Marlise-Counsellor-Mary-Kay-Independent-Beauty-Consultant-493283867351662](https://www.facebook.com/Marlise-Counsellor-Mary-Kay-Independent-Beauty-Consultant-493283867351662).

Nancy Yilmaz explained how she, her husband Barry and their businesses and their employees have been negatively affected. Among other businesses, they own the Green Olive Restaurant in Hopewell. She thanked her many loyal customers, who have helped with take-outs, and she announced outdoor dining on the terrace area has begun. Even with loosening of closures, the recovery will be slow as businesses and the public adapt to the health and safety guidelines. See the Green Olive Facebook page for information:

**Excerpt from Ms. Avila's essay:** "Alone, we can do so little; together, we can do so much. As a Bridgeton community member I can vouch that our community is perfect in its own little way. Our community worked very hard and together they helped bring amazing organizations to our community that help youth such as myself. Families learn that there is a whole new world out there, we just have to work hard in order to get to it."

**Excerpt from Ms. Stanger's essay:** "To say I love where I live is an understatement, Bridgeton has been my home for the past 17 years of my life and I am grateful for that. In more detail I love where I live because of the historic meaning behind every building that I pass as I drive downtown, the mix of cultures that I see around the city, and especially our privilege of having New Jersey's oldest Zoo in our own backyard.

*What I envision for the future of Bridgeton and the surrounding townships, is for us to not be thought of in a substandard way but rather for our ability to bring the community together."*

# 34th Annual Chamber Salute to Business Awards Celebration to Honor Our Community Heroes

## 34 Anual Saludo a los Premios Empresariales en Honor a los Heroes De La Comunidad Con el Corazon De La Ciudad Natal

In this challenging year for our communities and around the world, the Bridgeton Area Chamber of Commerce, which has recognized businesses and community leaders for 34 years with its Salute to Business and Industry Awards, will honor and thank "Community Heroes" when it holds its awards celebration on December 1, 2020. The Chamber is asking the community to nominate individuals, groups of individuals,

organizations and/or businesses who have selflessly worked to sustain and strengthen people and other organizations by demonstrating their "Hometown Heart."

The Chamber will join with the community to honor their service, character, courage, and achievements, not just to thank them but to inspire others to support their efforts and to become community heroes themselves.

### NOT ALL HEROES WEAR A CAPE! WHAT IS A COMMUNITY HERO?

A community hero is anyone - who works hard and comes up with innovative and successful ways to improve the quality of life of a person, a group or of the community as a whole. This could be a public official, a community leader, a concerned citizen or group of citizens, a healthcare worker, a volunteer, a first responder, the police, firefighters, a non-profit organization or a local business.

Some community heroes work with or for an organization or initiative. Others start their own ways to help others. They are the definition of being a good citizen, a good person and having "Hometown Heart." Here are some examples, but all possibilities are welcome.

- Healthcare providers and caregivers
- Public safety workers and first responders
- Educators and education professionals
- Community and neighborhood organizations
- Individual citizens who displayed caring and concern for others

We are also seeking nominations for our two memorial awards: The Francis "Binks" Sharp Lifetime Achievement Award and The Gary F. Simmerman Community Leadership Award. The criteria for these awards are detailed on the Nomination Form. These also may fit the theme of "Community Heroes". Your nominations are welcome.

**Información sobre cómo hacer nominaciones y patrocinios.**

**Hagan sus nominaciones antes del 31 de julio.**

**Information on how to make nominations and for sponsorships.**

**Make your nominations by July 31.**

En este desafiante año para nuestras comunidades y en todo el mundo, la Cámara de Comercio de Bridgeton Area, que ha reconocido a empresas y líderes comunitarios durante 34 años con su Saludo a los Negocios y la Industria Un barrio, honrará y agradecerá a los "Héroes de la Comunidad" cuando celebra su premio el 1 de diciembre de 2020. La Cámara está pidiendo a la comunidad que

designe a individuos, grupos de individuos, organizaciones y/o empresas que han trabajado desinteresadamente para sostener y fortalecer a las personas y organizaciones mediante la demostración de su "Corazón de la Ciudad Natal."

La Cámara se unirá a la comunidad para honrar su servicio, carácter, valentía, y logros, no sólo para agradecerles, sino para inspirar a otros a apoyar sus esfuerzos y a convertirse en héroes comunitarios.

**¡NO TODOS LOS HÉROES LLEVAN UNA CAPA!**

**¿QUÉ ES UN HÉROE DE LA COMUNIDAD?**

Un héroe de la comunidad podría ser cualquiera persona – una persona que trabaja duro y se le ocurran formas innovadoras y exitosas de mejorar la calidad de vida de una persona, un grupo o de la comunidad en su conjunto. Esto podría ser un funcionario público, un líder comunitario, un ciudadano o grupo de ciudadanos preocupados, un trabajador de la salud, un voluntario, un socorrista, la policía, los bomberos, una organización sin fines de lucro o una empresa local.

Algunos héroes de la comunidad trabajan con o para una organización o iniciativa. Otros comienzan sus propias maneras de ayudar a los demás. Son la definición de ser un buen ciudadano, ser una buena persona y tener el corazón de su ciudad natal.

Estos son algunos ejemplos, pero todas las posibilidades son bienvenidas:

- Identificadores y cuidadores profesionales de la salud
- Trabajadores de seguridad pública y socorristas
- Educadores y profesionales de la educación
- Organizaciones comunitarias y vecinas
- Ciudadanos individuales que mostraron cuidado y preocupación por los demás
- Vea otros ejemplos en [www.baccnj.com/hero](http://www.baccnj.com/hero)

También estamos buscando nominaciones para dos de nuestros premios conmemorativos: El Francis "Binks" Sharp Premio de Logo de Vida, y el Gary F. Simmerman Premio de Liderazgo Comunitario.

Los criterios para estos premios se encuentran en el formulario de nominación. Estos también pueden encajar en el tema de "Héroes de la Comunidad". Sus nominaciones son bienvenidas.

Bruce Riley, of Ultra Clean Technologies, explained that while his sales are down, he is grateful that he has been able to stay open and keep his employees working. He reviewed the health and safety precautions his company has put in place, including limiting the number of employees in his building by allowing several to work from home.

Susan Jones, of Print Signs and Designs, whose business has also been able to stay open, serves customers by phone, email and internet, and limits admittance to its building to employees only to protect the employees. They also wear masks, keep a safe distance apart in the building and do not share phones, computers or other equipment. She stressed keeping her team of employees safe and healthy is important if she is to be able to keep her business operating.

On May 19, the Chamber hosted an online meeting that featured three Chamber member businesses, which shared how they have adapted their businesses to the health and safety restrictions caused by the Coronavirus.

Laurie LaTorre, our Chamber Meetings and Education Chairperson and Carol Musso, the Chamber Chairperson, moderated the meeting.

Randi Galan of Randi Galan State Farm Insurance Agency said they have relied on electronic communications with their customers to provide insurance and financial services without interruption. We have learned how to serve our customers by using our business interruption plan, originally set up in case of storms and other natural disasters. She and her team have also put "the good neighbor" approach of State Farm Insurance into effect by providing food gifts to heroes during the Covid-19 crisis.

Minerva Alvarado, Marketing Coordinator for SERVPRO of Cape May and Cumberland Counties, explained the ways her company adapted to the restrictions and precautions to slow the spread of the virus, while they still provided much needed cleaning and sanitization services. As businesses re-open, the service of SERVPRO will be in demand and she said the team is ready to respond and assist. She said that they have provided assistance to the community and

area non-profits during the Covid-19 emergency.

Bruce Riley of Ultra Clean Technologies added that his business, which has used webinars for its customers and prospective customers, as a sales and communications tool before the Covid-19 pandemic, is using the tool more than ever. "We have also learned that we can have part of our team work from home as needed and we can do that successfully."

## RE-OPENING SAFELY AND SUCCESSFULLY

The Board of Directors, Officers and staff of the Chamber have been focused for 4 months on making sure our business community has been informed about Covid-19 assistance resources and health and safety communications from all levels of government and other business organizations.

We will continue to provide information, promote our businesses, to encourage local buying and shopping and to encourage communication and sharing of ideas and solutions.

As our focus goes to business re-opening and recovery, we urge everyone to listen to the

guidelines and mandates of local, state and federal health authorities and to use common sense so we can avoid another major shutdown of businesses and keep infections, hospitalization and deaths to a minimum during this ongoing pandemic.
