communities." Barry Seay of South Jersey Water Conditioning Service and President of BACC. The Bridgeton Area Chamber of Commerce (BACC) and its partner - Cumberland Development Corporation (CDC) - continually promote local shopping and investment. "The CDC agrees with the shop local project," said Mayor Abigail O'Brien, Deerfield Township, and Chairwoman of CDC. "We urge all local governments, businesses, schools, and residents to buy local whenever they can," she added.

BACC and CDC send out joint emails to over 600 area business people, government officials, and residents regularly, and all include a shop local message. Chamber meetings include spotlights on local businesses. Its website CumberlandGrows.com includes a mem-

# Tony Novack, CPA on The Relationship Between You, Your Business & Your Money

Tony Novack, CPA

Tony Novack, CPA, business consultant and entrepreneur, addressed the members and quests at the Chamber's meeting on February 28 at the Green Olive Restaurant in Hopewell.

Novack urged business owners to use their relationship with their CPA as an agent of change to improve their businesses, and to improve the relationship between you, your business, and your money.

His presentation covered the continued

changes in businesses, the economy, financing, and taxes through the 1980's to 2023, saying that often much of our financial success, or lack of it, is not related to our personal actions or personal conviction, but to larger economic trends.

Tony following these three points can solve issues and move your business ahead - solve the problem, find the best ways to move forward, grow, prosper, safe-guard, invest and share, and make sure the problem does not recur.

that can be serious setbacks or even businessending problems. Do not fall behind or fail to charge and remit state sales tax. Do not classify employees as independent contractors, and do not pay employees with cash to avoid taxes. Novack said to carefully select your CPA, tax preparer, and bookkeeper. Know what you need, and what you are paying for. Follow their advice. To contact Novack, visit www.SouthJersey.cpa.

# Signs of Spring and Progress

As winter turns into spring, there are several signs of the season and of progress in communities in our area.

• Rita's Italian Ice and Frozen Custard and Landis Links Mini Golf Course on Rt. 56, Landis Avenue in Upper Deerfield, are re-opened. These Chamber members are ready to help you and your family enjoy the warmer days ahead.

◆ In April, stop by Terry's Custard on Park Drive in Upper Deerfield and D's Fruta (formerly Trolley Barn) on Washington Street in Bridgeton, next to the Washington Street bridge over the Cohansey River. Sweet Things with Styles, which is open all year on Buck Road in

Pittsgrove, near Schalick High School, offers relaxing outdoor seating for ice cream and more. These are popular spots for cool treats owned by Chamber members.

• Bridgeton Baseball Tournament's Spring Classic brings the fun of family-friendly baseball games by talented local and regional players back to Alden Field in Bridgeton City Park on May 20 to May 28. The legacy of this tournament played each year since 1967 includes use of the designated hitter rule, and the pitch clock, now part of major league baseball this year. Special guests, fire-

works and concessions are a few of the highlights of this event. Get more information at https:bridgetoninvitationalbaseballtournament.sportngin.com.

 Upper Deerfield Community Day is April 29, 10 AM to 4 PM, on the grounds of the Upper Deerfield Township municipal building. For information, including sponsorships, visit www.UpperDeerfield.com or call 856-451-3811.

New retailers will be coming to Upper Deerfield including a package goods liquor store opening in the Carlls Corner Shopping Center, and construction will begin on the Chipotle Mexican Grill and ModWash car

Barry Seay took over as the Chamber's President in January 2023, succeeding immediate past president Carol Musso. Barry has served as Vice President, Board Member, and a Committee chair for the Chamber. He represents South Jersey Water Conditioning Service on the Chamber Board.

It is my great honor to serve as the President of the Chamber, and I extend my heartfelt thanks to the members, officers, board members, and staff for their unwavering support. Together, we can achieve incredible things in the coming year, fostering a spirit of teamwork and dedication that will drive the growth of our Chamber of Commerce and enhance the quality of service we provide to our members and community.

As we continue to navigate the challenges of the COVID-19 pandemic, I am proud of how we have come together to deliver crucial information and services, emerging from this crisis stronger and more resilient than ever before. Looking ahead, June 10, 2023 marks a significant milestone for our Chamber, as we celebrate 60 years of serving our community as the corporation named the Bridgeton Area Chamber of Commerce. Our history of serving the business community goes back many years prior to 1963. We honor the visionary leaders who have guided us to this point, while also committing ourselves to building an even stronger Chamber and economy in the years to come.

To that end, I urge each and every one of you to join us in this celebration by helping us lead the Chamber, attending our meetings and events, and supporting our fundraisers, including donating to our scholarship fund. If you are not yet a member, I encourage you to join us this year by visiting our website or contacting me or any board member directly. Together, we can achieve great things and make our community an even better place to live and work.
