Chamber
Membership
Services
Coordinator

“Chamber membership helps develop new relationships that can lead to more sales for my business, strengthens leadership skills, expands my knowledge of the area, and provides opportunities to give back to the community.”

Frank Sorrentino

BUSINESS HUB

The Chamber is committed to serving as the hub of the business community by developing a strong, growing and active membership, and maintaining a dedicated, innovative and courteous leadership team including the board, committees and staff.

WHAT WE DO

CumberlandGrows.com/Events

Meetings providing valuable business information, and networking opportunities - with fees, free, in-person, and virtual.

Special events like business expo, business & community awards, meetings with government leaders, business gatherings, and collaborations with other local and regional chambers of commerce, and other economic development and community partners.

Support for new & existing businesses, promoting local shopping and investment to strengthen the economy, and partnering with our Chamber Foundation and the Love Where You Live project to make our communities better.
